

Transportation Options to the Park Ridge Library

The Park Ridge Library, 20 S. Prospect Ave, is across the street (north) from Metra's Union Pacific Northwest Line station. It is also across the street (west) from the Pickwick Theater in Park Ridge.

The library is adjacent to bus stops for buses that go to the Blue Line "L" and east on Touhy to the Red Line station at Howard Street. For more specific bus information, visit <http://www.transitchicago.com/maps/maps/2007NW.html> or <http://tripsweb.rtachicago.com/>.

Limited parking is available in the library lot. Because we are hosting a full-day meeting, the Park Ridge Police Department will not police the lot (as parking is normally only allowed for a few hours because it is so close to the Metra train station). You are free to park anywhere in the lot (except where it says "for library staff only"). If you are driving, you can obtain specific driving directions via MapQuest.
